Show More Mobile Legends Bang Bang game is one of the most popular mobile titles out there. This game's popularity is through the roof in Southeast Asia, but the rest of the world is slowly starting to catch the Mobile Legends madness too.Players from all over the globe want to get the most out of their gameplay. They're searching far and wide for mobile legends free diamonds and, unfortunately, there's a ton of false and maleficent information out there.You could easily get scammed, hoping you'd get free diamonds when in fact you'll end up sharing your personal details and losing control over your account. All it takes is one bad step at a maleficent app or page and that's it.No worries, though, we're here to guide you through all this mess, so you better sit back, relax, and enjoy the ride!What are Mobile Legends Diamonds?Diamonds in Mobile Legends are the main in-game currency used by players to unlock new heroes and epic skins in ML. Recent consumer research has shown that the demand for their products has been extremely high.You can unlock many heroes in the game using in-game points, easily obtainable in Mobile Legends.If you haven't collected enough tickets, you can choose to exchange diamonds for complete purchases.That said, without further ado let's kickstart our Mobile Legends diamonds generator guide!MLBB Diamond Hacks | How to Get Free Diamond MLLet's get one thing out of the way right now - we're not here to give you an illegal hack tool or an MLBB free diamond script. The vast majority of platforms that claim they'll give you free diamonds will either sell your information online or even scam you and take control over your account ID.But, don't be discouraged. There are several legal ways for obtaining MLBB diamonds free of charge. We're talking about methods that will take a bit of extra work on your end, but won't risk your personal information or account issues. Yep, methods for obtaining legit free diamond ML do exist!If that's what you're here for, let's get right into our free Mobile Legends diamonds generator guide!Free Diamond ML with ModeNext up, we need to talk about free diamonds via third party websites and apps. There are lots of options out there, but players are reporting that a mobile app called Mode actually works.Formerly known as Current, this app allows you to do online surveys and listen to music to earn points. To get it, simply navigate to it on Android or Apple Play Store and click the download button.Once you accumulate these points (this is a lengthy process as you'll need quite a bit), you'll be able to redeem \$10 worth of MLBB diamonds free of charge. Even if you're not ready to do this right now, save Mode (Current) somewhere and check back on it later on.Keep in mind that some users have reported issues with redeeming free diamond on the Apple App store version. Just something to think about if you're not on the Android side of things.LivestreamingMoving on with free diamond ML tips, let's talk a bit about livestreaming. If you're looking for free diamond ML hack, there's a good chance you'll want to give livestreaming a go.How come? It's simple - if you get gifts, you'll be rewarded with BB coins which can then be converted into free diamonds.The conversion rate is not exactly the best. You get 1 diamond for 5 BB coins. It's not the most efficient method if you're just starting out, but with a bit of hard work and dedication, free ML diamonds will start flooding in.There are Some Requirements ThoughKeep in mind that you need to reach the following to be able to register as a streamer and get free diamond:Play frequently and reach Epic V rankYour profile needs to have at least 1,500 followersYour in-game Credit Score needs to be 100You need to play and finish at least five matches in the last five daysLucky SpinIf you navigate to the Draw section of the in-game shop, you will see Lucky Spin. Yes, everyone can participate and earn awesome skins. Better yet, participating in the Lucky Spin can get you Lucky Gem Fragments which can be used for several things.For instance, you can use them to redeem heroes and epic skins from the Lucky Shop. I know this isn't exactly a hack for unlimited MLBB diamonds, but can still save you from wasting some of your diamonds.Recharge Diamond MLBB via TournamentsAnother way of topping up your MLBB diamond balance is by playing well on tournaments. There are lots of mini MLBB tournaments online. Some of them are available on the official MLBB forum too.A quick Google search will help you figure out upcoming events. These can give you a hefty amount of free ML diamonds. If you're really good, recharging even more diamonds in MLBB via tournaments might be right up your alley!Don't Forget About EventsIn-game events in Mobile Legends can be a great source of free ML diamonds too. Don't shy away from them. To get the most free Mobile Legends diamonds this way, log into the game frequently and always check the events page, especially right before new heroes are released. You can thank us later!The market for illegal ML diamond hack is massive. But, it's a shady business packed with maleficent third-party websites that could get you in trouble.If you're looking for legit ways of obtaining free MLBB diamonds, we're here for you. Check out the above-featured tips and tricks and you'll get your hands on MLBB free diamonds.Check out our detailed MLBB new heroes guideDon't Fall for Scams and Other HacksBut, if you're looking for illegal MLBB hack scripts and whatnot, we won't help you out. There's a fine line between doing extra stuff to recharge diamonds in MLBB and using illegal scripts.Diamond generators can easily be found online which comes as no surprise considering ML is a really popular game. The first page of Google search results is packed with fake websites offering an unlimited amount of Mobile Legends diamonds.Don't trust shady-looking sites and apps that offer their own version of ML hack diamond apk app. If something on a shady page looks too good to be true, it probably is.That's it - that's all we have for you today. If you came here looking for MLBB unlimited diamond hacks, we hope you've found what you were looking for.MLBB Free Diamonds FAQ SectionHow do you get free diamonds on MLBB?There are several ways of obtaining free ML diamonds without using shady websites, scripts, and similar illegal activities. The best legit MLBB diamond hacks are as follows-Current ApplivestreamingLucky SpinsTournamentsIn-Game EventsHow much is 1,000 diamonds in Mobile Legends?If you're looking to purchase MLBB diamonds the good old-fashioned way (with in-game purchases), the best deal will set you back for \$19.99. That's how much 1,000 diamonds in Mobile Legends cost.You'll get 155 bonus, making the total sum 1155. You can get quite a lot of stuff with this, mind you, and you'll only have to spend \$19.99.How many diamonds are in 10 BB coins?BB coins are basically gifts. In other words, a gift is equivalent to a single BB coin. Users can convert BB coins (after collecting them from their in-game mail) for diamonds. The conversion rate is 5 BB coins equals 1 diamond.Can you gift free diamond ML?Yes, you can give MLBB diamonds to your friends. You can do so in two ways - using your preferred payment method to top up your friend's MLB account and gifting them via the in-game live stream feature.How to get BB coins in Mobile Legends game?You can get BB coins from people who gift you flowers during your in-game livestreams. To use them, you need to collect them in-game and then convert them to diamonds.How to download and use Mobile Legends hack tool?As stated earlier, some websites are offering ML hack diamond apk. Use these at your own risk. We at Rivalry won't promote illegal hack generator and outright cheating.If you're desperate to get more Mobile Legends diamonds, use the legit ways of getting free stuff that are at your disposal. Don't use in-game exploits or your ML account ID and all of your Mobile Legends diamonds might end up gone.
