Name each figure. Circulate the images that contain the CH sound. Choose the correct letters to complete each word. Find the word that corresponds to each image. Write every word in the correct line. Can you think of two things whose name contains the ch digraph? Draw a picture of each thing. Then write your name on the line. Name each figure. Cut and paste the correct mix to complete each word. Read every word. Fill the missing diagram. Then write the word. Say the name of each photo loudly. If you here the CH diagram at the beginning of the word, put the point before the figure. If you hear the CH diagram at the end of the word, place the point after the figure. If you hear the CH at both ends, place the two points. Look at the photos and fill in the missing letters. Circulate the word that has the same final sound as the first word. Diagrams found at the beginning or end of the word. Read every word. Is there a sound of ch or a sh sound missing? Color in the circle next to the sound correct absent. Sound.

Read words with the sh, ch, th, wh consonant digraphs; Read words with the vowel diphthongs ow, ou, oi, oy ...
